The image is a screenshot of a web browser displaying the website "Buy Software! .com". The browser's address bar shows "http://www.buysoftware.com/abdemo/hot.asp". The website has a dark, textured background. At the top left, there is a navigation bar with icons for "Home", "Search", "Features", "FAQ", "Contact Us", and "About Us". Below this, the text "Buy Software! .com" is prominently displayed in a large, stylized font. To the right of the logo, a box contains the text: "Shopping Experience", "Customer Satisfaction", "Fast, Easy Delivery", and "Security". Below this, the heading "New Titles this Week" is followed by the product "WinZip 6.2". A large block of text describes the product: "WinZip brings the convenience of Windows to the use of Zip files without requiring PKZIP and PKUNZIP. The new WinZip Wizard makes unzipping easier than ever. WinZip features built in support for popular Internet file formats, including TAR, gzip, Unix compress, UUencode, BinHex, and MIME. ARJ, LZH, and ARC files are supported via external programs. WinZip interfaces to most virus scanners." To the right of this text is a small image of the WinZip logo. At the bottom left, a "Software Categories" section lists "Hot?", "Fun", "That", "Grate", and "It's". A bracket groups the "Hot?", "Fun", and "That" categories. A "Buy This Product" link is located below the product name. The entire advertisement area is enclosed in a rectangular frame with a small "X" icon in the top right corner.
